Social Value Case Study

STOCKPORT COUNCIL’S PROVISION OF COMMUNITY BASED LIFESTYLE SERVICES

What was the project?

Stockport Council was looking to source suitable organisation(s) to provide holistic wellness and specialist physical activity services linked with the contact hub to improve health outcomes with a flexible community based service

Project Team

Stockport Council:
Alison Leigh, Sue Kardahji, Russ Boaler,
Donna Sager, Vicci Owen-Smith
& Sarah Newsam

STAR Procurement:
Justina Woo-Swirad

Outcomes

- Minimum of 5 career workshops in Stockport per annum
- Minimum of 3 local young people mentored per annum
- Supporting 15-20 volunteers per annum
- Supporting 20-30 Peer supporters per annum
- Minimum of 10 work placements per annum
- The majority of expenditure will be retained in the local supply chain or within a 10 mile radius of Greater Manchester
- 12 positive stories will be published in local media per annum
- Older People and other socially isolated Stockport residents will reduce their isolation as a result of the Befriending Scheme
- A minimum of two wellbeing projects will be supported
- Each employee will provide 1 volunteering day (pro rata) pa to local community & voluntary organisations

How were the Social, Economic & Environmental Issues (“Social Value”) Addressed?

- Promotes employment and economic sustainability
- Raises living standards of local residents
- Promotes participation and citizen Engagement
- Builds capacity and sustainability of the voluntary / third sector
- Promotes equality & fairness
- Promotes environmental sustainability
